Our Vision

To become the leading provider of sustainable energy solutions and general supplies in East Africa.

Our Mission

To deliver high-quality products and professional services that exceed customer expectations through innovation, technical excellence, integrity, and long-term partnerships.

Our Core Values

- Professionalism
- Integrity
- Reliability
- Customer Focus
- Innovation
- Quality Assurance
- Environmental Responsibility

Company Information

Item	Details
Company Name	Vulfem International Ltd
Business Category	Energy Solutions & General Supplies
Experience	10 Years
Headquarters	Nairobi, Kenya
Service Coverage	Kenya and East Africa
Target Clients	Commercial, Industrial, Government & Institutional Organizations

2:0 OUR SERVICES

2.1 DIESEL POWER GENERATORS SOLUTIONS

Vulfem International Ltd provides comprehensive power generation solutions designed to ensure uninterrupted operations for critical facilities and industrial processes.

2.1.0 Scope of Services

2.1.1 Supply of Diesel Generators

We supply high-performance diesel generators from globally recognized manufacturers suitable for standby, prime, and continuous power applications. Perkins, cummins, kubota

2.1.2 Installation and Commissioning

Our technical team undertakes complete generator installation works including:

- Site assessment
- Foundation preparation
- Generator positioning
- Electrical and mechanical integration
- Fuel system installation
- Synchronization systems
- Testing and commissioning

2.1.3 Generator Maintenance and Support

We offer:

- Preventive maintenance contracts
- Corrective maintenance
- Emergency breakdown response
- Load bank testing
- Engine diagnostics
- Fuel system servicing
- Cooling system maintenance
- Generator health audits

2.1.4 Generator Upgrades

- Automatic Transfer Switch (ATS) installation
- Automatic Mains Failure (AMF) panels
- Generator synchronization systems
- Control panel upgrades
- Remote monitoring systems

2.2 SOLAR PV ENERGY SOLUTIONS

Delivering Reliable Energy Solutions and Quality Supplies for Sustainable Business Growth.

As businesses increasingly adopt clean energy technologies, Vulfem International Ltd delivers reliable solar solutions tailored to client energy requirements.

2.2.1 Solar Services

- Solar PV system design
- Supply of solar equipment
- Solar panel installation
- Hybrid solar systems
- Battery energy storage systems
- Solar water pumping solutions
- Commercial rooftop solar installations
- Solar system testing and commissioning
- Operations and maintenance services

2.2.2 Benefits to Clients

- ☐ Reduced electricity costs
- ☐ Improved energy reliability
- ☐ Sustainable energy generation
- ☐ Lower carbon emissions
- ☐ Attractive return on investment

3: GENERAL SUPPLIES & TECHNICAL CAPABILITY

3.1. GENERAL SUPPLIES

Vulfem International Ltd supplies a broad range of products to support industrial, commercial, and institutional operations.

3.1.1 Product Categories

3.1.1.1 Electrical Equipment and Materials

- Electrical cables
- Distribution boards
- Switchgear
- Circuit breakers
- Lighting systems
- Earthing equipment
- Electrical accessories

3.1.1.2 Generator Parts and Accessories

- Engine spare parts
- Fuel filters
- Oil filters
- Air filters
- Starter motors
- Alternators
- Battery systems
- Control modules
- Automatic Voltage Regulators (AVRs)

3.1.2 Solar Equipment

- Solar modules

- Inverters
- Batteries
- Charge controllers
- Mounting structures
- Monitoring systems

3.1.3 Industrial and Office Supplies

- Safety equipment and PPE
- Mechanical tools
- Construction materials
- Office consumables
- Institutional supplies

3.2 TECHNICAL EXPERTISE

Our team consists of qualified professionals experienced in:

- Electrical Engineering
- Energy Engineering
- Mechanical Engineering
- Solar PV Design and Installation
- Generator Diagnostics and Repairs
- Project Management
- Procurement and Supply Chain Management

4.0 INDUSTRIES SERVED

We have successfully supported clients in:

- Manufacturing
- Agriculture
- Hospitality
- Healthcare
- Education
- Telecommunications
- Construction
- Government Institutions
- NGOs and Development Agencies

5.0 COMPETITIVE ADVANTAGE.

Why organizations choose Vulfem International Ltd:

- Over 10 Years Industry Experience
- Qualified Technical Personnel
- Timely Project Execution
- High-Quality Products
- Competitive Pricing
- Strong Supplier Network
- Excellent After-Sales Support
- Nationwide Service Coverage

6: PROJECT DELIVERY, QUALITY & CONTACTS

6.1 PROJECT DELIVERY APPROACH

We follow a structured approach to ensure successful project implementation:

6.1.1. Needs Assessment

Understanding client requirements and site conditions.

6.1.2. Solution Design

Developing customized technical solutions.

6.1.3. Procurement and Supply

Sourcing quality products from trusted manufacturers.

6.1.4. Installation

Executing works in accordance with industry standards and best practices.

6.1.5. Testing and Commissioning

Verifying system performance before handover.

6.1.6. After-Sales Support

Providing maintenance, technical support, and warranty services.

6.2.0 QUALITY ASSURANCE

Vulfem International Ltd is committed to delivering quality products and services through:

- Compliance with industry standards
- Use of approved materials and equipment
- Thorough testing and inspection procedures
- Continuous improvement initiatives
- Skilled and competent personnel

6.3.0 HEALTH, SAFETY AND ENVIRONMENT (HSE)

Safety remains a core component of our operations.

We are committed to:

- Safe work practices
- Risk management and mitigation
- Environmental sustainability
- Compliance with occupational safety regulations
- Continuous employee training
